

Behavioral Team Report

Enhanced group assessment for 2017

On March 22, 2017, the enhanced behavioral team report will be available to Value Added Associates of TTI Success Insights. This comprehensive report makes it easier to manage teams, make decisions, and achieve business outcomes.

Client benefits of the Enhanced Behavioral Team Report

- Effectively tap diverse work styles and perspectives
- Recognize the profound differences between people
- Manage the behavioral gaps and tensions within an organization
- Identify ways to find and realize the best idea

Potential Applications For Your Business

- Place the report pages into ppt to run a team session
- Debrief clients and identify the behavioral gaps in the organization
- Assist executives with reorganizations
- Understanding the diversity of a team

Ways to Educate Your Client Base

- Share your expertise on team dynamics and communication
(i.e. Blog, share articles on social media with editorial comments)
- Share TTI Success Insights support materials
- Run a webinar featuring the benefits of the enhanced behavioral team report
- Return to past clients with the enhanced behavioral team report findings

After the Team Report, You Can...

- Invite clients or workshop attendees to your subscriber list
- Plant a seed for additional offerings
- Provide more education on DISC
- Share your expertise on the topic via blogs or social channels
